A Message from Father Jason
Father Jason Houck, Associate Priest

Our St. Mary’s 2017 summer camp theme: “Faithful Still”

Here is a typical conversation after a teenager returns home from our summer camp:

Parent: “So…what did you learn at camp this year?”
Teenager: “Uh…not much”

This is a common, all-too-brief “discussion” about what campers learned at church camp this summer. Parents are often left wondering—what, actually, did they learn???

But have no fear—I am here to tell you!

This year’s summer camp topic, “Faithful Still,” means being faithful, even in the face of adversity and difficulties. We must remember, being a Christian is not always easy, and bad things can happen to good people. One staff member nicknamed it, the “anti-prosperity gospel week.” So…what does “Faithful Still” mean?

The first day of religion class, we learned about not wavering in our faith—that tough times, can, by God’s grace and our openness to God, can actually bring us closer to God and deepen our faith.

On the second day of religion class, we learned about failure and perseverance. We considered Saint Peter’s denial of Christ—a failure—but then we considered his repentance and preaching of the Gospel after Pentecost. St. Peter failed, but then persevered in the Faith—going on to share the Gospel with many others.

On the third day of religion class, we learned about peer pressure. Peer pressure is a part of life that cannot be avoided—but we can do something about it! We studied some relevant Bible verses. We can remember to love God first and foremost in our lives (Matthew 22:37). We should surround ourselves with good influences (1 Corinthians 15:33, Psalm 1:1-2). We should also remember that God tells us not to worry (Matthew 6:33-34).

On the fourth day of religion class, we learned about healing. The Church is a hospital. Through the Church, especially through the sacrament of confession, we can be healed, even if we have had setbacks in our spiritual journey. We learned about the life of St. Moses the Ethiopian, who was once a violent robber, but repented. He found healing in the Church.

On the fifth day of religion class, we learned about sadness and disappointment. We remembered St. Paul’s words from 1 Thessalonians 4:13-14 “But we would not have you ignorant, brethren, concerning those who are asleep, that you may not grieve as those who have no hope. For since we believe that Jesus died and rose again, even so, through Jesus, God will bring with him those who have fallen asleep.” We discussed (age-appropriate adjusted) the death of a loved one. Some classes learned about the life of St. Elizabeth the...

—Father Jason’s article, concluded.

On the sixth day of religion class, we learned about “being courageous in the Faith.” St. Paul wrote: “Be watchful, stand firm in your faith, be courageous, be strong” (1 Corinthians 16:13). Our teachers encouraged our campers to be firm, courageous, and strong in our Faith—in short, to be “Faithful Still” throughout our trials in life.

May God help us all to be on target and to be “Faithful Still” throughout our trials in life.

Our Parish Feast Day Celebration
As we approach our Feast Day, The Dormition of the Theotokos, on August 15, we invite everyone to participate in the services on that day as well as leading up to it. During the first fifteen days of August, we offer the Paraklesis Services (services of supplication for the living) each weekday evening at 6:00 p.m. Great Vespers for the Feast of the Transfiguration will be offered on Saturday, August 5, 5:00 p.m.

Our Feast Day celebration begins with Great Vespers on Monday, August 14, 6:00 p.m. followed by a reception hosted by St. Mary’s Philoptochos. We continue our celebration on Tuesday, August 15, with Orthros at 8:30 a.m. and Divine Liturgy at 9:30 a.m. Philoptochos will host a festive reception following Liturgy. Our Feast Day celebration continues on Sunday, August 20, with a luncheon with festivities also hosted by Philoptochos. We thank them for their contribution to our day!

We encourage everyone to be with us on this holy and special day!

Church School
I know it doesn’t seem like it, but the 2017-2018 Church School year is right around the corner.
Our teachers will begin the year with a dinner meeting on Tuesday, August 22, in the Terrace Room. We have invited Elaine Kakis, a member of the Chicago Department of Religious Education, to kick off the new Church School year with us.
Classes will begin Sunday, September 17, the Sunday after the Festival (please note this is one week earlier than usual).
Registration has begun and needs to be completed by August 27. Your registration information is very important for staffing, classroom space, and for purchasing curriculum and supplies. Go to www.stmarysgoc.org and click on Youth then proceed to Church School.
This year our theme is “The Parish As Educator,” that is: Leitourgia (educating through worship), Koinonia (fellowship in Christ), Diakonia (service in Christ), and Martyria (our personal witness of Christ). Our beloved Archbishop of America Demetrios wrote a lovely short article on this theme in the Fall issue of Praxis magazine in 2016. If you would like a copy of this article, please contact me.
We pray that not only our teachers, but all of us who worship here, will connect to teaching all facets of the life of the parish, using every opportunity to nurture each other in and around our community engaging and living these four aspects of the church.

Annual Women’s Pilgrimage
January 23-27, 2018
It is time to start planning our annual trip to St. Paisius Monastery, January 23-27, 2018. The price for the trip is $450. This covers room, board and travel. However, a personal donation to the monastery is recommended. This trip affords us the opportunity to work ourselves into the monastic life, even if only for a few days. St. Paisius is an English-speaking women’s monastery housing about 23 sisters who receive hundreds of visitors each month. There is an olive orchard, fruit orchards, a vegetable garden, and of course, hens for fresh eggs, goats for cheese, and dogs for protection.
To support themselves, the sisters make prayer ropes and maintain a well-stocked bookstore. They also maintain numerous publishing efforts, concentrating primarily on themes chosen to support the Christian home and the struggles of Christians living in the world. We sell many of their Akathists in our bookstore. The website is http://stpaisiusmonastery.org.
This year we are changing it up a bit. We are going to visit the St. Anthony Monastery in Florence Az. where we will spend Friday evening and Saturday morning. We will travel from there to Phoenix for the return flight. Here is their website https://www.stanthonysmonastery.org. I need all reservations in by October 15 (sooner is better if possible) we have room for ten, first come first served.

Save the Date
The Lyn Olson Medical Crisis Program Annual Fundraising Gala and Silent Auction will be held on the Terrace of the Stillwater Public Library on Sunday, September 17, 4:00-7:00 p.m. Look for more information in the September Messenger or contact Sandra Anderson in Church Office.

Stewardship

Dear Parishioners,

Thank you for your generous gifts of time, talent and treasure. Know that your contributions make a difference every day to the St. Mary’s community.

What Do St. Mary’s and Your Orthodox Faith Mean to You?

“Christ is in our Midst”

I am writing to express what my church means to me. As a young child entering the community of St Mary’s, I experienced God’s comfort, family and fellowship, a place of worship and opportunity for growth. I have been a member of St Mary’s church for 48 years and have fostered many wonderful relationships, growth, and joy. Being active in and involved in the Camp program, Stewardship, Parish Council, Festival, and many other volunteer opportunities has allowed me to develop amazing friendships, a great sense of family and helped me to evolve spiritually, as God tells us to do.

Simply stated, my involvement and willingness to be part of this community has rewarded me with so much. Had I not gotten involved or maintained the balance I have, then I would not be really living up to what God wants me to do spiritually with my commitments or with my time, talent, and treasures.

I encourage each of you to reach out to a newcomer, someone you do not know, volunteer for functions and events and to foster your own growth in the community and for God’s will.

God Bless,
Jim Geogleris

Stewardship Committee Focus on In-Reach and Creating a Welcoming Community

As we have shared with parishioners in recent months, the main goals of the Stewardship Committee this year are to improve in-reach to our community and increase engagement overall. We want to provide a welcoming, loving, spiritually rich environment for our “immediate family” (those already regularly present and engaged in St. Mary’s and in the faith), as well as “extended family” (those who occasionally attend St. Mary’s and are less/not engaged in the spiritual and community life). We also want to attract and retain newcomers and increase the engagement of our young people.

To this end, we recently held two focus group discussions and invited several parishioners to share their perspectives and experience of St. Mary’s. Much of the feedback we heard indicates that we have some work to do to help newcomers to our parish feel that they are welcomed and part of our community. It can be difficult for newcomers to connect with parishioners that have been long-time members and are very connected to others in the Church.

It is important for everyone to be a stewardship ambassador and remember to reach out to people you don’t know when you see them in Church on Sunday or during other Church activities – this is a grass roots effort. We encourage each of you to invite someone who you don’t often see at church events or who you don’t know very well to join you in one of your volunteer activities or to attend an event with you.

If you have any feedback or ideas, please feel free to reach out to Diakonissa Alexandria, Athena Mihas, or one of the other Stewardship Committee or Parish Council members.

Informal Conversations with the Parish Council and Stewardship Committee

The Parish Council and Stewardship Committee invite you to join us on the third Sunday of each month, following the Liturgy, for informal conversations about stewardship and your experience of St. Mary’s. There will be a sign at one of the tables in the Great Hall that will say, “Join the Parish Council and Stewardship Committee for Conversation,” indicating where we will be sitting. We welcome all interested to join us each month! We look forward to connecting with you and sharing our stories and perspectives with each other. If you are new to St. Mary’s or would like to connect with people you don’t know well, this is a great opportunity to get to know someone new. Please join us on the third Sunday of each month in the Great Hall during the Fellowship Hour to ask questions and share your experience.

Thank you for your love and support of St. Mary’s.

Stewardship Financial Update

Offering Income Total:
- June Year-to-Date: $389,222
- Last Year June Year-to-Date: $358,873
- Goal for 2017: $937,335
- Additional needed to reach goal: $548,113
Thanks to the generosity of our parishioners, offering income so far this year exceeds the offering total last year at this time by $30,349. This is moving us much closer to achieving our goal this year of increasing offering income by 9% or $78,000. The increase is to support the ministries and programs outlined in the budget this year, which includes the new youth director position. This increase in giving demonstrates the faith and commitment of our parishioners. We are so blessed!

Thank you for your love and support of St. Mary’s.

**Summer Camp Scholarship Essay**

**Faithful Still**

Six years ago my aunt and uncle and their son moved in next door to us.

Two weeks later my aunt was diagnosed with cancer.

I spent a lot of time at their house. I got to know my aunt. We went for walks and talked. We enjoyed many of the same things and we could spend hours talking.

The cancer didn’t seem physical for awhile, she didn’t change much, she was just my aunt with this ugly word hanging over her. “Cancer.” And then the cancer began to grow. She spent more time in bed as the chemo treatment weakened her, but I still had faith. I prayed daily and I knew God was listening. He gave me hope, and I never lost that hope.

Then, two years after they had moved she passed away leaving behind an 11 year old son and a husband.

God does everything for a reason. I knew that, but what reason could be great enough to ruin a family?

Then I heard someone say something to my newly widowed uncle that changed my view completely. “She’s happier now.” That was all they said. At first I was angry. It seemed like an insensitive thing to say.

But then I started to see the deeper meaning. This life and family pales in comparison to eternal life with our Heavenly Father. She left us behind to join the Lord our God in His Heavenly Kingdom and I know that God will take far better care of her than any of us could.

And I am Faithful Still.
